Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sanitary Sewer Pump Stations Improvement Project in fiscal year 2025. The entity to receive funding for this project is the Village of Lake Orion, located at 21 East Church Street, Lake Orion, MI 48362. The funding would be used to upgrade 12 pump stations that are more than 50 years old and on the verge of failure. This project is an appropriate use of taxpayer funds because it will ensure the Village has access to sanitary sewer services.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
