Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the M-19/26 Mile Road Intersection Improvements project in fiscal year 2025. The entity to receive funding for this project is the Michigan Department of Transportation, located at 26170 21 Mile Road, New Baltimore, MI 48051. The funding would be used to correct a high-crash intersection by adding a right-turn lane and full signal optimization. This project is an appropriate use of taxpayer funds because this will ensure traffic can pass through this intersection safely.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
