Committee on Appropriations

H-307, The Capitol

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clifford Water System Improvements project in fiscal year 2025. The entity to receive funding for this project is the Village of Clifford, located at 4548 Madison Street, Clifford, MI 48727. The funding would be used to rehabilitate the Village's 100-year-old water system, install water meters, and an iron filtration system. This project is an appropriate use of taxpayer funds because it will ensure Clifford has access to clean drinking water.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lisa C. McClain".
