Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the River Rd. Lateral Line Replacement project in Fiscal Year 2027. The entity to receive funding for this project is Cottrellville Township, located at 7008 Marsh Rd, Marine City, MI 48039. This funding would be used to replace failing water service laterals along River Road to improve water pressure and service reliability for residents. The project is an appropriate use of taxpayer funds as it would replace failing water infrastructure to improve public health and fire protection while reducing costly emergency repairs and delivering a more efficient long-term solution for the community.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
