Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harsens Island Algae Wastewater Treatment Plant project in fiscal year 2025. The entity to receive funding for this project is Clay Township, located at 4710 Pte Tremble Road, Algonac, MI 48001. The funding would be used to construct a first-of-its-kind in Michigan green wastewater treatment plant. This project is an appropriate use of taxpayer funds because this new wastewater plant will ensure residents and businesses have the wastewater infrastructure needed, delivered in an innovative way.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
