Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kimball Township Allen Road Collection System Improvements project in Fiscal Year 2027. The entity to receive funding for this project is Kimball Township, located at 2160 Wadhams Rd., Kimball Twp., MI 48074. This funding would be used to construct a new sanitary pump station and force main that will relieve chronic overloading in Kimball Township's wastewater collection system and prevent sanitary sewer backups during wet weather events. The project is an appropriate use of taxpayer funds as it would relieve an overburdened sewer system to prevent backups and public health risks while protecting property, reducing long-term costs, and supporting reliable infrastructure for the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
