Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sebewaing Community Center Rehabilitation project in Fiscal Year 2027. The entity to receive funding for this project is located at 41 N. Center Street Sebewaing, MI 48759. This funding will renovate and modernize the Sebewaing Township Library and Community Room to ensure it remains a safe, accessible, and functional gathering space for all residents. The project is an appropriate use of taxpayer funds as it preserves a critical rural community facility that provides essential educational, workforce, and civic services while improving safety, accessibility, and long-term operational efficiency for residents..

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
