Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dryden Drain Repair project in fiscal year 2025. The entity to receive funding for this project is the Lapeer County Drain Commissioner. The funding would be used to repair, reroute, and install new sections along Dryden's 100-year-old drain system. This project is an appropriate use of taxpayer funds because it will promote stormwater management, economic growth, and improve the conditions in the drainage area.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
