Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Memphis Bordman Road Phase 4 project in Fiscal Year 2027. The entity to receive funding for this project is located at 80375 Main Street Memphis MI 48041. This funding consists of curb, gutter, sidewalks and resurfacing of Bordman Road from Belle River Road west to the city limits which end past Memphis Elementary and Jr/Sr High Schools.. The project is an appropriate use of taxpayer funds as it will improve safety for students, residents, and commuters, prevent higher long-term repair costs caused by continued deterioration, and allow the city to complete critical infrastructure upgrades more efficiently by combining project phases.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
