Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Millington Water and Sewer Infrastructure Upgrades project in fiscal year 2025. The entity to receive funding for this project is the Village of Millington, located at P.O. Box 261, Millington, MI 48746. The funding would be used to replace aging water and sewer infrastructure, reline clay sewer lines, and repave roads over the sewer lines. This project is an appropriate use of taxpayer funds because it will enhance water quality, support existing businesses and residents, and support future opportunities for growth.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Lisa C. McClain".
