Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Marlette 2027 Water and Sewer Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the City of Marlette, located at 6436 Morris St, Marlette, MI 48453. This funding would be used for system integrity improvements to the City's water distribution and sewer systems. The project is an appropriate use of taxpayer funds as it would address critical water infrastructure needs through targeted upgrades to improve public health, safety, compliance, system reliability, and resilience against cyber threats.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
