Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Armada Township Rural Modernization and Safety Initiative in Fiscal Year 2027. The entity to receive funding for this project is located at 1 South Main Street, Mount Clemens, MI 48043. This funding consists of a full scale modernization of Armada Center and Romeo Plank Intersection, the Armada Center and Capac Road Intersection and a newly deployed signalized intersection on Romeo Plank Road. The project is an appropriate use of taxpayer funds as it improves roadway safety, traffic flow, and infrastructure reliability in a high-traffic agritourism corridor, supporting local economic activity while reducing accident risks for residents and visitors.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
