Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Clifford 2027 Water System Improvements project in Fiscal Year 2027. The entity to receive funding for this project is Clifford, located at 4548 Madison St, Clifford, MI 48727. This funding would be used to make improvements and compliance upgrades to the Village's water system. The project is an appropriate use of taxpayer funds as it would ensure safe, clean, and reliable drinking water for all residents and businesses.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
