Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oakland County Sheriff's Office Mobile Command Unit project in Fiscal Year 2027. The entity to receive funding for this project is Oakland County, located at 1200 N. Telegraph, 38E, Pontiac, MI 48341. This funding would be used to purchase a mobile command unit. The project is an appropriate use of taxpayer funds as requested mobile command unit would serve as a regional asset, supporting unified command operations during active violence incidents, mass casualty events, natural disasters, and large-scale public gatherings.

The project has a federal nexus because the funding provided is for purposes authorized under the Community Oriented Policing Services (COPS) program, as authorized by the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381 et seq.), which supports law enforcement equipment, technology, and interoperability capabilities that advance community policing and public safety.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
