Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Baltimore Fire Station project in Fiscal Year 2027. The entity to receive funding for this project is located at 36535 Green Street, New Baltimore, MI 48047. This funding would complete replacement of an existing 55-year-old fire station that has reached the end of its functional and structural lifespan. The project is an appropriate use of taxpayer funds as replaces critical public safety infrastructure that is no longer safe, functional, or cost-effective to maintain.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
