Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the M-24 Sanitary Sewer Extension project in Fiscal Year 2027. The entity to receive funding for this project is Charter Township of Oxford, located at 300 Dunlap Rd., Oxford, MI 48371. This funding would be used to construct a sanitary sewer line. The project is an appropriate use of taxpayer funds as it would expand critical sewer infrastructure to enable economic growth, support job creation, and protect groundwater and surface water from contamination caused by failing septic systems.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
