Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Richmond - Main Street Water Main Replacement project in Fiscal Year 2027. The entity to receive funding for this project is the City of Richmond, located at 36725 Division Rd, Richmond, MI 48062. This funding would be used for the construction of 2.06 Miles of 12-inch diameter transmission/distribution water main through the heart of the City. The project is an appropriate use of taxpayer funds as it would protect critical public infrastructure, ensure safe and reliable transportation access for residents and emergency services, and prevent more costly damage from continued erosion.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
