Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Maybee Road Water Main Extension project in fiscal year 2025. The entity to receive funding for this project is the Charter Township of Independence, located at 6483 Waldon Center Drive, Clarkson, MI 48346. The funding would be used to install 22,000 feet of public water main, hydrants with connections to all homes along the route, and the installation of a redundant water main. The project is an appropriate use of taxpayer funds because this project will rectify a former Leaking Underground Storage Tank site endangering water quality for more than 220 homes.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
