Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the HVSD Watermain Extensions project in Fiscal Year 2027. The entity to receive funding for this project is Highland Township, located at 205 N John St, Highland, MI 48357. This funding would be used to extend municipal water service to serve both existing and planned public schools. The project is an appropriate use of taxpayer funds as it would provide safe, reliable water and fire protection for the entire Huron Valley School District campus while supporting future commercial development along South Milford Road.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
