Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Kuhl Road over Shebeon Drain surface transportation reauthorization legislation.

The project sponsor for this project is Huron County Road Commission and the project is located at Kuhl Road, Fairhaven Township, MI 48720.

The funding is designated for bridge replacement.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. The replacement of the Kuhl Road bridge over Shebeon Drain will replace the structure in poor condition that is currently load posted, restricting commercial and agricultural traffic. This road has a moderate amount of traffic and is considered a County Primary Road. Replacement of the structure will help improve the overall bridge condition network in Huron County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lisa C. McClain
