Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for M-53 Resurfacing in the surface transportation reauthorization legislation.

The project sponsor for this project is Michigan Department of Transportation and the project is located at M-53, Burnside Township, MI 48416.

The funding is designated for milling and two course asphalt resurfacing.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. This is a road rehabilitation and reconstruction project on a Michigan state route that will improve the safety of the Michigan transportation network.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Lisa C. McClain  
Member of Congress
