Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Port Huron Township Watermain Replacement project in Fiscal Year 2027. The entity to receive funding for this project is Charter Township 3800 Lapeer Road, Port Huron, MI 48060. This funding would be used to replace aging drinking water distribution mains and water service leads. The project is an appropriate use of taxpayer funds as it would strengthen drinking water infrastructure to ensure safe, reliable service for residents and businesses while supporting local job creation.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
