Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Citywide Sanitary and Storm Sewer Lining project in Fiscal Year 2027. The entity to receive funding for this project is City of Marine City, located at 260 S. Parker Street, Marine City, MI 48039. This funding would be used to provide cleaning and epoxy lining for storm and sanitary sewer through roughly 1/3 of the City. The project is an appropriate use of taxpayer funds as it would support essential wastewater infrastructure that protects public health, preserves environmental quality, and prevents harmful discharges into navigable waters.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is written in a cursive style.
