Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Marathon Road Rehabilitation project in Fiscal Year 2027. The entity to receive funding for this project is located at 820 Davis Lake Road, Lapeer, Michigan, 48446. This funding would support the rehabilitation of Marathon Road between Bronson Lake Road and Le Valley Road to repair severe deterioration, improve road conditions for agricultural and manufacturing transport, and ensure safe and reliable travel for residents and businesses that rely on this key rural connector route. The project is an appropriate use of taxpayer funds as it preserves critical rural infrastructure that supports the local agricultural economy, improves safety for residents and commercial users.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
