Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the M-81 Stormwater Management Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the Village of Reese, Michigan, located at 2073 Gates Street, Reese, Michigan 48757. This funding would be used to improve stormwater management infrastructure in the Village. The project is an appropriate use of taxpayer funds because failure to improve the Village's stormwater system will lead to further flooding throughout the Village, endangering local businesses and residents as well as a major thoroughfare in the Thumb of Michigan.

The project has a federal nexus because the funding provides is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
