Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Imlay City Utility & Lead Service Line Replacement project in Fiscal Year 2026. The entity to receive funding for this project is the City of Imlay City, located at 150 N Main Street, Imlay City, Michigan 48444. This funding would be used to replace existing lead service lines, water mains, and sewer mains in the City that are in excess of 70 years old. The project is an appropriate use of taxpayer funds because failure to replace this infrastructure will mean the City's residents will continue to be served by lead lines and aging infrastructure well beyond its useful life.

The project has a federal nexus because the funding provides is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
