Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jefferson Avenue Water Main Replacement project in Fiscal Year 2026. The entity to receive funding for this project is the Charter Township of Chesterfield, Michigan, located at 47275 Sugarbush Road, Chesterfield, Michigan 48047. This funding would be used to replace aging water mains in the Township. The project is an appropriate use of taxpayer funds because failure to repair the Township's water mains will lead to service failures as the existing infrastructure is past its useful life.

The project has a federal nexus because the funding provides is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
