Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Millington Water and Sewer Infrastructure Upgrades project in Fiscal Year 2026. The entity to receive funding for this project is the Village of Millington, located at 8569 State Road, Millington, Michigan 48746. This funding would be used to replace aging water and sewer infrastructure and reline clay sewer lines. The project is an appropriate use of taxpayer funds because it will extend the useful life of critical infrastructure by 60 years and facilitate downtown residential and commercial growth.

The project has a federal nexus because the funding provides is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive.
