Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Brown City Sewer Infrastructure Upgrades project in Fiscal Year 2026. The entity to receive funding for this project is the City of Brown City, Michigan, located at 4205 Main Street, Brown City, Michigan 48416. This funding would be used to complete sewer repairs and line replacements throughout the City. The project is an appropriate use of taxpayer funds because failure to repair the City's sewer and storm water system will lead to further flooding in the City, including raw sewage flooding the local school, leading to service failures, school closures, and significant damage.

The project has a federal nexus because the funding provides is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
