Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harbor Beach Water Transmission Main Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the City of Harbor Beach, located at 766 State Street, Harbor Beach, Michigan 48441. This funding would be used to replace 6,000 of aging water main in the City. The project is an appropriate use of taxpayer funds because the existing water main is approaching 100 years old and is prone to ruptures, jeopardizing service to the community.

The project has a federal nexus because the funding provides is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive.
