Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Brookfield Township Public Safety Facility project in Fiscal Year 2026. The entity to receive funding for this project is Brookfield Township, located at 7361 Main Street, Owendale, Michigan 48754. This funding would be used to construct a new joint Fire Station/Township Hall to serve the community. The project is an appropriate use of taxpayer funds as the existing facility is significantly undersized, not ADA compliant, and hinders the ability of the local Fire Department to respond to emergencies throughout its service area and provide mutual aid throughout the County.

The project has a federal nexus because the funding provides is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926 (a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
