Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sandusky Water Infrastructure Upgrades project in Fiscal Year 2026. The entity to receive funding for this project is the City of Sandusky, located at 26 W Speaker Street, Sandusky, Michigan 48471. This funding would be used to replace the City's water mains, build in a looping water system, and drill a new production well. The project is an appropriate use of taxpayer funds because it will ensure the City's residents and businesses have access to reliable and safe water.

The project has a federal nexus because the funding provides is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
