Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Maybee Road Water Main Replacement project in Fiscal Year 2026. The entity to receive funding for this project is the Charter Township of Independence, located at 6483 Waldon Center Drive, Clarkston, Michigan 48346. This funding would be used to extend 22,000 feet of water main and hydrants with connections to over 220 homes and install a redundant water main loop. The project is an appropriate use of taxpayer funds because it will ensure that residents of the community have access to high-quality water services.

The project has a federal nexus because the funding provides is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain". The signature is fluid and cursive.
