Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for M-46 Bridge Replacement in the surface transportation reauthorization legislation.

The project sponsor for this project is Michigan Department of Transportation and the project is located at M-46 over Black River, Washington Township, MI 48419.

The funding is designated for bridge replacement.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. This is a bridge replacement project on a Michigan state route that will improve the safety of the Michigan transportation network.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
