Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Marlette Road Bridge over South Branch of the Cass River in surface transportation reauthorization legislation.

The project sponsor for this project is Sanilac County Road Commission and the project is located at Marlette Road, Marlette, MI 48453.

The funding is designated for bridge replacement.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: the structure is located on a paved county All Season Primary Road approximately 4 miles east of the City of Marlette in Sanilac County. This route is a Major Collector and is an extension of the main east-west thorough fare of the City of Marlette and connects MDOT highways M-53 to M-19. This route is heavily used by the agricultural industry as a supply and harvest haul route to processing centers in Marlette, Caro, Bay City and Saginaw.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
