Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for McAlpin Road over Columbia Intercounty Drain surface transportation reauthorization legislation.

The project sponsor for this project is Huron County Road Commission and the project is located at McAlpin Road, Brookfield Township, MI 48759.

The funding is designated for bridge replacement.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. The replacement of the McAlpin Road bridge over Columbia Intercounty Drain will serve to improve safety and operations in the area by realigning the structure to improve the intersection radius at Bay Port Road, allowing large trucks and agricultural equipment to safely negotiate turning movements. The project will address a structure with numerous deficiencies that will require structure replacement to adequately address.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
