Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Notter Road over Pigeon River surface transportation reauthorization legislation.

The project sponsor for this project is Huron County Road Commission and the project is located at Notter Road, Winsor Township, MI 48755.

The funding is designated for bridge preventative maintenance.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. Notter Road over Pigeon River is a relatively large, 4 span structure and was constructed in 1990 and is in generally good condition except for the piers. To extend the serviceable life of this structure, low-cost preventive measures to patch the existing piers are needed. Without addressing the existing deficiencies, a significantly more costly fix – up to bridge replacement – will be needed.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lisa C. McClain".
